DSRM-225 TRIMMER

The DSRM-225 Battery-Powered String Trimmer delivers gas-like power and precise control with its top-mounted motor, making it the ideal choice for homeowners. Equipped with the Speed-Feed® 400 trimmer head, reloading the trimmer line is quick and hassle-free.

The integrated display on the handle keeps you informed of battery charge and power levels at-a-glance. Built to last with a durable carbon fiber shaft, this trimmer is available as a bare tool or kitted with a 5Ah battery and rapid charger, ensuring you're always ready to tackle any yard work.

HIGHLIGHTS:

- 14 in. - 16 in. CUTTING SWATH FOR FAST, EFFICIENT TRIMMING
- RUN TIME UP TO 56 MIN WITH 5Ah BATTERY
- TOP MOUNTED MOTOR PROVIDES GAS-LIKE POWER AND BALANCE
- SPEED-FEED® 400 HEAD RELOADS IN SECONDS WITHOUT DISASSEMBLY
- DISPLAY ON HANDLE SHOWS BATTERY CHARGE STATUS AND POWER LEVEL
- LIGHTWEIGHT WITH A CARBON FIBER SHAFT
- AVAILABLE AS BARE TOOL OR KITTED WITH 5Ah BATTERY & RAPID CHARGER

OPTIONS AVAILABLE:
