LM-2119SP

SELF-PROPELLED GAS MOWER

ECHO enters the gas-powered mower market with the new LM-2119SP Self-Propelled Lawn Mower for properties up to an acre. This 21-inch mower boasts a 190cc Briggs & Stratton engine with ReadyStart® technology for easy starting in any weather. Mowing is a breeze with a variable speed system that automatically adapts to the user's walking speed. The Mow N' Stow feature and foldable handles make storage simple.

The 3-in-1 design lets you choose between mulching, bagging, or side discharge. The dual-blade design ensures top-notch cut quality, while 11 in. rear and 8 in. front ball-bearing-supported wheels tackle any terrain. With single-point height adjustment from 1.25 in. to 4 in. and variable speed self-propelled drive, mowing is a breeze.

HIGHLIGHTS:

- LARGE 21 in. STEEL DECK HANDLES YARDS UP TO AN ACRE
- SELF-PROPELLED, VARIABLE SPEED SYSTEM AUTOMATICALLY ADAPTS TO WALKING SPEED
- 3-IN-1 DECK DESIGN FOR CUSTOMIZED LAWN CARE TO MULCH, BAG, OR SIDE-DISCHARGE
- SINGLE-POINT HEIGHT ADJUSTMENT ALLOWS FOR CUTTING FROM 1.25 in. TO 4 in.
- DUAL-BLADE DESIGN FOR SUPERIOR CUT QUALITY
- 190cc ENGINE
