SRM-2120

TRIMMER

The ECHO SRM-2120 String Trimmer is the ultimate tool for homeowners who demand speed, efficiency, and comfort in yard maintenance. Featuring a 16 in. cutting swath, this trimmer allows for fast, efficient trimming, ensuring you cover more ground in less time.

The ergonomic handles offer enhanced comfort and control during operation. With the Rapid-Loader® head, line changes are lightning-fast, minimizing downtime and maximizing productivity. Plus, the built-in vibration-reduction system ensures a smoother, more comfortable trimming experience, so you can tackle your yard with ease.

HIGHLIGHTS:

A diagram showing three levels of usage: MODERATE (represented by a black trapezoid), PRO (represented by a white trapezoid), and PRO X (represented by a white trapezoid with a black outline). The word 'USAGE' is written in a stylized font above the trapezoids.

MODERATE PRO PRO X™

- 16 in. CUTTING SWATH FOR FAST, EFFICIENT TRIMMING
- i-30™ STARTING SYSTEM REDUCES STARTING EFFORT BY 30%
- RAPID-LOADER HEAD FOR LIGHTNING-FAST LINE CHANGES
- ERGONOMIC HANDLES FOR COMFORT
- 21.2cc ENGINE | 11.3 lbs.
